Independent Auditor's Review Report to the Unitholders of APN Property Plus Portfolio

Report on the Half-Year Financial Report

We have reviewed the accompanying half-year financial report of APN Property Plus Portfolio ("the Fund"), which comprises the condensed statement of financial position as at 31 December 2015, and condensed statement of profit or loss, the condensed statement of comprehensive income, the condensed statement of cash flows and the condensed statement of changes in equity for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration of the Fund and the entities it controlled at the end of the half-year or from time to time during the half-year as set out in pages 6-13.

Directors' Responsibility for the Half-Year Financial Report

The directors of the Fund are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the Fund's financial position as at 31 December 2015 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of the Fund ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Auditor's Independence Declaration

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the Fund, would be in the same terms if given to the directors as at the time of this auditor's review report.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of the Fund is not in accordance with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of the Fund's financial position as at 31 December 2015 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

1. Summary of significant accounting policies

Statement of compliance

The half year financial report is a general purpose financial report prepared in accordance with the Corporations Act 2001 and AASB 134 'Interim Financial Reporting'. Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34 'Interim Financial Reporting'. The half year financial report does not include notes of the type normally included in an annual financial report and should be read in conjunction with the most recent annual financial report.

Basis of preparation

The condensed financial statements of APN Property Plus Portfolio ("the Fund") have been prepared on the basis of historical cost, except for the revaluation of certain non-current assets and financial instruments. Cost is based on the fair values of the consideration given in exchange for assets. All amounts are presented in Australian dollars, unless otherwise noted.

The Fund is a fund of the kind referred to in ASIC Class Order 98/100, dated 10 July 1998, and in accordance with that Class Order amounts in the directors' report and the half-year financial report are rounded off to the nearest thousand dollars, unless otherwise indicated.

The accounting policies and methods of computation adopted in the preparation of the half-year financial report are consistent with those adopted and disclosed in the Fund's 2015 annual financial report for the financial year ended 30 June 2015, except for the impact of the Standards and Interpretations described below. These accounting policies are consistent with Australian Accounting Standards and with International Financial Reporting Standards.

Adoption of new and revised Standards and Interpretations

The Fund has adopted all of the new and revised Standards and Interpretations issued by the Australian Accounting Standards Board (the AASB) that are relevant to their operations and effective for the current half year. New and revised Standards and amendments thereof and Interpretations effective for the current half year that are relevant to the Fund include:

- AASB 2015-3 'Amendments to Australian Accounting Standards arising from the Withdrawal of AASB 1031 Materiality'

Impact of the application of AASB 2015-3 'Amendments to Australian Accounting Standards arising from the Withdrawal of AASB 1031 Materiality'

Completes the withdrawal of references to AASB 1031 in all Australian Accounting Standards and Interpretations.

The adoption of amending Standards does not have any impact on the disclosures or the amounts recognised in the Fund's half year financial statements.

Each unit represents a right to an individual share in the Fund per the Constitution. There are no separate classes of units and each unit has the same rights attaching to it as all other units in the Fund.

4. Fair value of financial instruments

The directors of the Responsible Entity consider that the carrying amount of financial assets and financial liabilities recorded in the financial statements approximates their fair values.

Financial assets and liabilities held at fair value through the profit or loss are measured initially at fair value excluding any transaction costs that are directly attributable to the acquisition or issue of the financial asset or financial liability. Transaction costs on financial assets and financial liabilities at fair value through the profit or loss are expensed immediately. Subsequent to initial recognition, all instruments held at fair value through the profit or loss are measured at fair value with changes in their fair value recognised in the statement of profit or loss and other comprehensive income.

The fair values and net fair values of financial assets and financial liabilities are determined as follows:

- the fair value of financial assets and financial liabilities with standard terms and conditions and traded on active liquid markets are determined with reference to quoted market prices;
- the fair value of other financial assets and financial liabilities are determined in accordance with generally accepted pricing models based on discounted cash flow analysis; and
- the fair value of derivative instruments, included in hedging assets and liabilities, are calculated using quoted prices. Where such prices are not available use is made of discounted cash flow analysis using the applicable yield curve for the duration of the instruments.

Fair value measurements recognised in the statement of financial position

The following table provides an analysis of financial instruments that are measured at fair value at 31 December 2015, grouped into Levels 1 to 3 based on the degree to which the fair value is observable:

- Level 1 fair value measurements are those derived from quoted prices in active markets for identical assets or liabilities.
- Level 2 fair value measurements are those derived from inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices).
- Level 3 fair value measurements are those derived from valuation techniques that include inputs for the asset or liability that are not based on observable market data (unobservable inputs).

Fair value measurement as at 31 December 2015				
	Level 1 \$'000	Level 2 \$'000	Level 3 \$'000	Total \$'000
Financial liabilities at FVTPL				
Derivative financial liabilities	-	(59)	-	(59)
Total	-	(59)	-	(59)

Fair value measurement as at 30 June 2015				
	Level 1 \$'000	Level 2 \$'000	Level 3 \$'000	Total \$'000
Financial liabilities at FVTPL				
Derivative financial liabilities	-	-	-	-
Total	-	-	-	-

- Investments whose values are based on quoted market prices in active markets and therefore classified within level 1 include listed property securities traded on the Australian Stock Exchange (ASX).
- Financial instruments that trade in markets that are not considered active but values are based on quoted market prices, dealer quotations or alternative pricing sources supported by observable inputs are classified within level 2. These include financial derivatives whose fair values have been determined using dealer quotations.
- Classified within level 3 are financial instruments whose values are derived from significantly unobservable inputs as there is no active market.

The Directors consider the carrying amounts of the Fund's other financial instruments approximate their fair values.

5. Contingencies and commitments

There are no commitments and contingencies in effect at 31 December 2015 (2014: Nil).

6. Subsequent events

There has not arisen in the interval between the end of the financial period and the date of this report any material transactions or events in the opinion of the Responsible Entity, to affect significantly the operation of the Fund, the results of those operations, or the state of affairs of the Fund, in the future.
